

Essential General Academic Vocabulary Guide for Students in Grades 6–12

By Cheryl York McDonough, Collins Education Associate

General academic vocabulary is the language of school and tests. It is more likely to be used in written expression rather than speech. Using general academic vocabulary in your own writing helps create a more formal writing style.

Word	Definition	Example Sentence
analyze	to examine something carefully and with focus	Analyze the passage to determine the author's point of view.
apply	to connect something you know or can do to another situation	Apply the three most essential elements of British rule to Colonial Boston's economic hardships.
